

Educative Center Miraflores extension, Praia  
Esclavas de la Santísima Eucaristía y de la Madre de Dios

**EDUCATIVE MIRAFLORES CENTER EXTENSION**  
**THE PROJECT**

# CABO VERDE

Miraflores school was inaugurated in **2006**

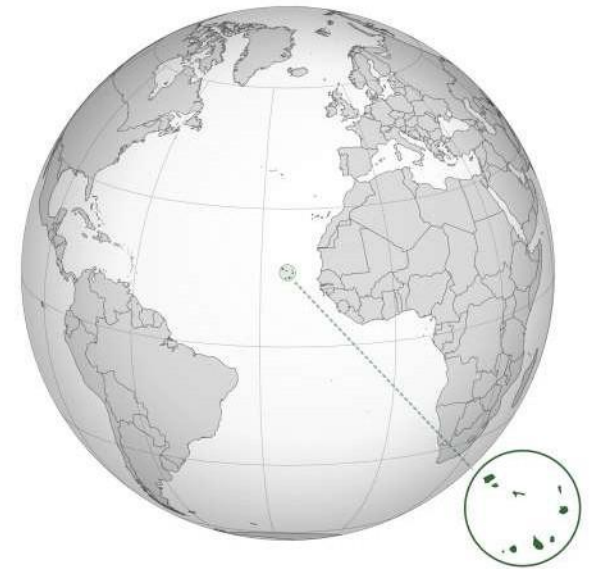

It has children's, primary and secondary classrooms

Its capacity is around **1000 students** but nowadays it has **1527 students** so it's necessary an extension to respond to the existing demand

The extension will be used by 650 secondary students and it will have more sport spaces and offices that currently work in the area where the classrooms and the dining room are.

The project will be built in **three phases**

The project will **improve the area** creating new shadows spaces for children, the dining space, the kitchen, sport areas to play, laboratories and spaces for teachers and administration.
